BELD will connect up to 2 WiFi devices (laptops, tablets, eReaders, and PDAs; Smart TVs, DVD players, printers, and game consoles not included). No equipment to buy for installation. A BELD technician must install router. Free installation applies to router only—installation charges for internet service still apply. Additional labor and equipment may be needed to connect other devices or extend connectivity beyond the normal reach of the initial wireless device. BELD can't guarantee all customer-owned equipment will be to connect with our WiFi service. Updating drivers or supporting outdated operating systems not included. *Truck roll charges for BELD Broadband router or modem issues are included in the month fee. Service calls for wiring, phone or video issues will be charged the applicable rate. Fees and taxes not included. Other restrictions may apply.
